## WHO WE ARE

Established in 1981, Bute Fasteners has been trading for over 40 years supplying a variety of industries in the East Midlands and beyond.

We are a small, family run service orientated operation who care about your fastener requirements.

We specialize in fast turnaround bulk orders of all kinds of industrial fasteners including Hexagon bolting, Machine screws, Woodscrews, Self Tapping screws, Rivets, Socket screws, Nuts, Washers and many more weird and wonderful DIN/ISO fasteners.

## WHAT WE DO

For over 40 years, we have been a trusted supplier of industrial fasteners, serving a diverse range of industries including shop fitters, engineers and engineering of all types, manufacturing, medical and food production areas and the oil sector.

Our commitment to quality and service is reflected in our fast and efficient next-day delivery, as well as our convenient order and collect options.

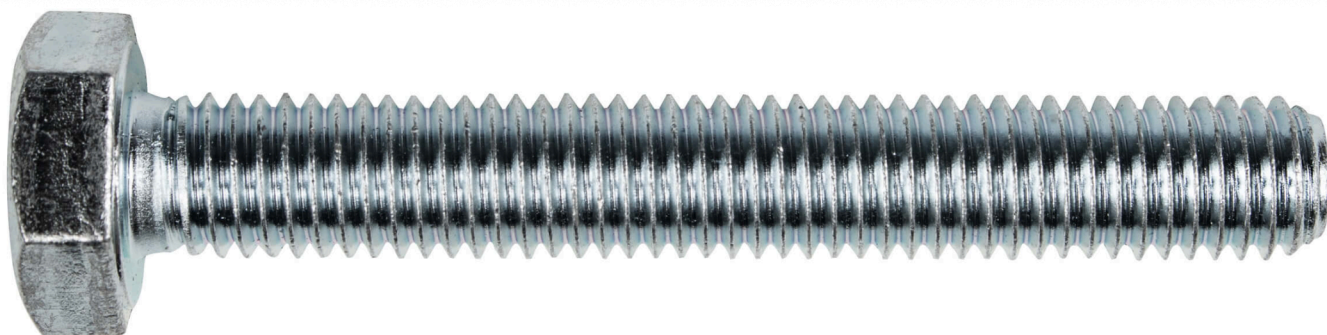

We hold stocks of well over 30,000 products and source products on a daily basis, so if we don't have what you need on the shelf, we can usually acquire on a short lead time.

We also offer tailored customer solutions such as bin stock systems and kitting to meet the unique needs of our customers.

Partner with us for reliable fastener supply and exceptional service that keeps your business moving forward.

Browse our available product ranges for more information and if you can't see what you're after, please get in touch with us as we carry many lines not specifically listed here.

Contact us today to see how we can help you make things, **BETTER**.
